EVOLVE·ndo

LET'S COLOR THE FUTURE

SOFT CHEEKS

DESCRIPTION

Super Loose Powder with a lightweight touch, easy to apply, for a radiant glow. The innovative texturizing agent, contained in it, confers smooth texture and exceptional touch to the powder.

Its new tech natural functional ingredients allow to achieve an incredible sensoriality and buildable colour. It enhances your complexion with natural-looking luminosity.

APPLICATION

Invert the loose to let the product come out of the spreader. With the help of a brush, take the product and apply on the face. The product should be spread starting from the inside outwards in the cheekbone area. It will give an immediate natural effect.

REGULATORY STATUS

Formulation is compliant with the Cosmetic Regulations currently in force in the following countries: Europe, Usa, China, Japan.

Please consider that the INCI names, listed on this document, may be subject to slightly variations to be conform with the Extra-UE requirements for cosmetic products labelling.

INCI

*Pearlescent Pigments**, Triolein, Glycerol Dioleate, Lauroyl Lysine, Glycerin, Zea Mays Starch, Polyvinyl Alcohol, Brassica Campestris Seed Oil, Tocopherol, Rosmarinus Officinalis Leaf Extract, Parfum.
