MATTE MAVEN PRIMER

Description

Hybrid primer with soft focus effect that helps hide the visibility of the pores. The balm-to-powder texture dries immediately on the skin to create a matte, natural and invisible finish.

Application

Pick up a small amount of product and warm it on your fingers. Blend the product all over your face or only where you want a matte effect, an example T zone.

Regulatory status

Formulation is compliant with the Cosmetic Regulations currently in force in the following countries: Europe, Usa, China, Japan.

Please consider that the INCI names, listed on this document, may be subject to slightly variations to be conform with the Extra-UE requirements for cosmetic products labelling.

Inci
